ORDER RETURNING UNDOCKETED APPEAL TO EXAMINER

---

This application was received electronically at the Board of Patent Appeals and Interferences on August 30, 2006. A review of the application has revealed that the application is not ready for docketing as an appeal. Accordingly, the application is herewith being electronically returned to the examiner. The matter requiring attention prior to docketing is identified below:

An examination of the Image File Wrapper (IFW) reveals that a two page Information Disclosure Statement (IDS) was filed on October 30, 1997.

It is not apparent from the record whether the examiner considered page 2 of the IDS. A communication notifying appellant of the Primary Examiner's decision is required.

Accordingly, it is

ORDERED that the application is returned to the Examiner:

- 1) for consideration of page 2 of the IDS filed October 30, 1997, and notification to appellants regarding the Primary Examiner's decision; and
- 2) for such further action as may be appropriate.
